

Course Information: Competent Crew

RYA Competent Crew courses is for sail yachts, and in tidal or non-tidal waters. Due to our location all our courses are tidal, and your certificate will be endorsed accordingly.

This is very much a hands-on course with little time to teach navigation or other theoretical subjects. It introduces complete beginners to cruising and teaches personal safety, seamanship and helmsmanship to the level required to be a useful member of the crew of a cruising yacht.

You will be spending the complete week on board the yacht visiting the beautiful areas of the Canaries away from the beaten track.
