

Thank you once again for booking with Club Sail Sea School.

When you land please will you text, or phone us on **+34 618 383 827** so we can come and collect you.

One of our representatives, who will be wearing a yellow Club Sail T shirt, will meet you in the departure drop off area opposite Departures. They will be driving a liveried white Renault Kangoo van.

To get to this area leave the baggage hall, and walk through into the main terminal. You turn left and walk along inside the terminal until you get to check in desk number 48. Then turn right and walk outside the terminal. You will see in front of you a crossing. Cross two roads and you will see the waiting area straight in front of you – "departure drop off point".

Please note that we normally only collect between 10:00 and 19:00. Please will you text or phone us on **+34 618 383 827** if your flight is delayed more than 1 hour.

If your flight is delayed, or its planned arrival time is outside these hours we may ask you to get a taxi to the marina.

A map to the **Marina del Sur, Las Galletas** is shown below. We have often found it useful to give the map to the taxi driver. We have found that it is best to ask for Playa Las Galletas.
